

# ***Your welcome to Lockey Park on Sunday 20th July at 10.30***

Our second 'get together' on June 2nd was not as well attended as our first meeting (pictures below) mainly due to our colleagues taking school examinations in that week.

Football League Referee, Graham Laws, has kindly offered to be at Lockey Park on Sunday 20th July at 10.30 to instruct and give advice to the referees on positioning at set pieces i.e. penalties, corners etc. So this session will take place on the field of play.

**WIDEOPEN  
JNRS**

## ***Forming of your own committee ~ will give you your say at Lockey Park***

On the 20th July it will be the third occasion that these 'get togethers' have been staged. Is the Northumberland Referees' Association achieving what you wish to happen at Lockey Park?

A feed-back is required so it is known if changes need to be made or carry on as is.

The success of this venture at Lockey Park is in the hands of our colleagues who attend and it is thought that it would be beneficial to have your own committee.

The first position which needs to be established is The Secretary ~ is there a volunteer? Should this position interest you please make contact with the Northumberland Referees' Association County Secretary, contact details below, so that further information and any queries can be discussed.

**For further details contact:**

**Mr. David Martin, County Secretary, The Northumberland Referees Association  
22 Rothbury Close, Killingworth, Newcastle upon Tyne NE12 6TA
