

# *Excellent attendance in April, hopefully same again on 2nd June.*

The first get together on the 28th April surpassed all expectations.

The Northumberland Referees Associations and Wideopen Juniors were so encouraged by the attendance that plans started straight away in planning the next get together.

On Monday 2nd June, 7pm at Lockey Park we are very fortunate that Premiership Assistant Referee, Michael McDonough, is able to attend to give guidance and advise on being an Assistant Referee which will be of considerable benefit for those in attendance.

*Hopefully you  
are able to  
attend.*

*Should you  
have flags  
please bring  
them along  
with you.*
